## GREETINGS Friends and Neighbors

Thank you for your interest in Keymel's Christmas Trees and

As you know, Christmas is coming, and it seems sooner every year. We've had several families pre-mark their Christmas trees already. You can too, just please call to make an appointment. We will let you tag a tree anytime before Thanksgiving.

We will start cutting and harvesting Christmas trees on the Friday after Thanksgiving, from 9am till 4pm, and then every weekend (9am-4pm) until Sunday, December 21. If you must come another time, we can help you harvest your tree by appointment. We have a great selection of Douglas Firs and Fraser Firs on the farm.

Wreath making is also underway. Here too, it is a good idea to order your wreath or kissing ball ahead of your visit to the farm. A simple phone call or email will get the ball rolling.

We also have Alpaca yarn and products available again this year. With so many white alpacas, we have dyed yarns in a variety of colors and have some natural colors as well. These items are available on site during your visit. If you want to pre-order, please call or email with your requests.

*USA Made Alpaca Products*

We truly thank you for your continued support all these years, and we look forward to seeing you and

your family during this Christmas Season.

Wishing you and your family a safe and happy Christmas,

Roger and Jessie Keymel and family
